

**National Commission for Homoeopathy  
Homoeopathy Education Board**

**Guidelines for conducting National Teachers' Eligibility Test (NTET): 2026**

**Background and Rationale**

The National Commission for Homoeopathy Act, 2020 ensures access to quality and affordable medical education, availability of adequate and high-quality medical professionals of Homoeopathy. It is therefore necessary to ensure that persons recruited as Assistant Professor, Associate Professor and Professor possess the essential aptitude and ability to meet the challenges of teaching at Homoeopathy Colleges.

2. The eligible candidates as per The National Commission for Homoeopathy (Minimum Essential Standards for Homoeopathic Colleges and Attached Hospitals) Regulations, 2024, shall have to qualify NTET to become eligible to be appointed as Assistant Professor, Associate Professor and Professor in Homoeopathic Institutes/Colleges regulated by NCH.
3. The rationale of NTET is to produce teachers with:
  - i. Ability to deal with diversified students;
  - ii. Ability to impart knowledge and expertise and exude mastery of the subject;
  - iii. Sets high expectations for all students and encourages them to achieve their goals
4. The NTET examination may be conducted by a suitable professional body designated by NCH for the purpose. It will be conducted in accordance with the Guidelines hereunder.

**Eligibility**

5. The following persons shall be eligible for appearing for NTET:
  - i. Any person who desires to take up teaching profession for the first recruitment as a teacher on various cadre shall be through NTET test as per the provisions of National Commission for Homoeopathy (Examination in Homoeopathy) Regulations, 2023.
