Advisory for General Public and all other concerned Authorities/Institutions

Subject:- Due Diligence by the students seeking admission in BHMS/PG Courses

This advisory is issued in pursuance to the order dated 09.10.2026 passed by the Hon'ble Supreme Court of India in WP (C) No. 531/2026 filed by Ayesha Jain Vs. Amity University, Nodia & Ors. , directing the UGC and all the regulatory authorities to issue an advisory to all authorities/institutions, and especially to the public at large, not to take admission in or deal with institution without first verifying the authenticity of such institutions.

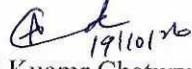

It is clarified that as per the National Commission for Homoeopathy (Assessment and Rating of Medical Institutions) Regulations, 2024 each existing medical institution will be invited to submit information in structured format by offline or online mode with relevant annexures on annual basis along with the specified fees to the 'Medical Assessment and Rating Board for Homoeopathy' for assessment of maintenance of minimum essential standards as specified through regulation and for the rating. The Assessment and rating is done by the Board annually.

It has come to the notice of the NCH that (i) Admissions were made by the colleges in BHMS of the Non-NEET, NEET Appeared but not qualified for the respective academic year (ii) Admissions were made of students having below 50 percent marks in PCB in the Higher Secondary Examination (iii) Students who were provisionally admitted as per the interim orders passed by the Hon'ble High Courts or the Hon'ble Apex court for the respective academic year, without following counselling process and (iv) Admission granted to the students in such colleges having no permission for the respective academic year leading to avoidable litigation and uncertainty over award of Degree/MQRL to such students.

A list of colleges granted permission/denial for the AY 2026-27 indicating status as on 16.10.2026 is displayed on website. This list is updated periodically and is available in public domain on the website of the <https://nch.org.in>. The updated position of rating of the colleges is also available in public domain on the website of the NCH.

All concerned are therefore, advised in their own interest not to take admissions in/or deal with institutions without first verifying the authenticity of such institutions, including permission for admissions in the respective academic year granted by the competent authority i.e. Medical Assessment and Rating Board for Homoeopathy and National Commission for Homeopathy.

This issues with the approval of the competent authority.

(Dr. Anand Kuamr Chaturvedi)
Secretary In-charge
