Ministry of Cooperation

D.O.No. 20-11/2/2025-MoC Dated: 26th December, 2025

Dear Secretary,

I would like to invite your kind attention towards Sahakar Taxi Cooperative Limited (STCL), a multi-State Cooperative Society registered under the MSCS Act, 2002. The society is being supported by leading national cooperative institutions such as NCDC, IFFCO, NABARD, KRIBHCO, GCMMF (AMUL), NAFED, NDB and NCEL. The initiative has been conceived in furtherance of the vision of "Sahakar-Se-Samriddhi", with the objective of promoting cooperative enterprises and creating sustainable livelihood opportunities through community-owned mobility solutions.

2. Under this initiative, Bharat Taxi has been launched as a cooperative-owned and community-driven digital mobility platform aimed at providing safe, transparent, and affordable transport services while empowering driver-members through cooperative ownership and participation.

3. Bharat Taxi has been pilot launched in Delhi-NCR and Gujarat (Saurashtra Region) and is envisaged as a reliable last-mile and point-to-point transport option, aligned with the Government of India's objectives of inclusive growth, fair competition, and ethical service delivery in the urban mobility sector.

4. In furtherance of these objectives, this Ministry requests the cooperation of Central and State Government Ministries, Departments, PSUs, and autonomous bodies in facilitating appropriate promotional support and visibility for Bharat Taxi within their premises and official communication channels. Such facilitation may include permission for display of informational materials or inclusion in internal and digital communication platforms, without disruption to routine office functioning.

5. The Ministry also encourages departments, wherever feasible, to sensitize officers and staff regarding the availability of Bharat Taxi as a cooperative mobility option and to share institutional feedback that may assist in improving service delivery prior to wider rollout.
