iv. **Intake capacity**-The annual intake capacity in undergraduate course initially shall be up to 100 and for postgraduate course shall be maximum 6 seats in a department/subject. A medical institution may apply for increase in intake capacity above 60 in undergraduate course or above 6 in postgraduate course and/or starting of postgraduate course only after completion of first batch of its undergraduate course/post graduate course.

v. **Requirement of Land –**

- (a) The total built up area required for adequate infrastructure including medical institution, hospital and other infrastructure required under these regulations is made available in a single piece of land(nonagricultural)not less than four acres, in rural areas, or three acres in urban and hilly areas.

The plot, if separated by a road or canal or rivulet but connected with a bridge, will be treated as one piece of land.

The total constructed area shall be based upon the permissible Floor Area Ratio (FAR) or Floor Space Index (FSI) allowed by the competent authority or local laws or rules.

A certificate from the local municipal authority certifying or approving the construction plan of the proposed buildings having the required construction area as per the Schedule-I and the Schedule-II of National Commission for Homoeopathy (Minimum Standards of requirement for Homoeopathic Colleges and Attached Hospitals) Regulations 2022, which can be accommodated in the piece of land, must be provided at the time of applying for permission of the Commission.

- (b) There should be separate buildings for the college and hospital as per the requirements specified in the Schedule-I and the Schedule-II of National Commission for Homoeopathy (Minimum Standards of requirement for Homoeopathic Colleges and Attached Hospitals) Regulations 2022 and National Commission for Homoeopathy(Homoeopathy Post graduate degree course), Regulations 2022;
- (c) The land should be owned by the medical institution or possessed on lease, in the name of the medical institution, of not less than thirty years or maximum permissible period as per State regulations. Renewal of permission must be done one year prior to expiry of lease.

Explanation. -The floor area ratio (FAR) or floor space index (FSI) is the ratio of the total floor area of buildings on a certain location to the size of the land of that location or the limit imposed on such a ratio.

Handwritten signatures and initials:
R.D.S.
A.R.
8/10/22

- (d) The property shall be exclusively demarcated for Homoeopathy Educational Institution only.
- (e) The requirement of the size and possession of the land is not applicable for the medical institutions established prior to the notification of these regulations in Official Gazette, but at the end of the current lease period, such medical institutions shall either own the land or get it on the lease for a period not less than thirty years. The lease period must be made extended or permanent possession of land may be obtained within the existing lease period. However, if such institutions submit the application for increase in the existing number of seats or apply for higher degree course, shall have to fulfill all the requirements of land as specified in these regulations.
- (f) If existing medical institution is situated in urban area, they may have hospital in another campus situated in the radius of 10 Kms only.
- (g) Medical institution shall submit the possession certificate for non-agricultural land from tehsildar while submitting application on Form-I.
- (h) The building plan may be certified by local Govt./authority after verifying facilities as specified in these regulations.”

4.5 Phase wise specific requirement of new medical institutions

No.....

Government of
The Department of AYUSH.

To,

Dated:

(Name and address of applicant).

Subject: No Objection Certificate
Reference:

Sir.

The desired "No Objection Certificate" in respect of following facts is being issued:

- (1) Number of Homoeopathic institutions already existing in the concerned district and captive population.
- (2) Number of seats available or number of Homoeopathic practitioners being produced annually.
- (3) Number of Homoeopathic practitioners registered with the State Council/Board of Homoeopathy.
- (4) Number of Homoeopathy practitioners in State Government Service.
- (5) Number of vacant Government posts of Homoeopathy doctors in the State, particularly in rural/difficult areas
- (6) Number of Homoeopathy doctors registered with the State Employment Exchanges.
- (7) Homoeopathy Doctors-population ratio in the State
- (8) How the establishment of the medical College/increase in admission capacity/starting course would resolve the problem of deficiencies of qualified medical personnel in the State and improve the availability of such medical manpower in the State,
- (9) The restrictions imposed by the State Government, if any, on students who are not domiciled in the State from obtaining admissions in the State be specified.
- (10) Full justification for opening of the proposed medical College/increase in admission capacity/starting new or higher course.
- (11) Homoeopathy Doctors-population ratio to be achieved.

The (name of the applicant).....has applied for establishment of Homoeopathy college at On careful consideration of the proposal, the Government of..... has decided to issue "No Objection Certificate" to the applicant for the establishment of a Homoeopathy College with(number) seats/increase in admission capacity Fromto.....seats/starting.....course.

It is certified that

- (a) The applicant owns and manages a 30/50- bedded hospital, which was established in the year

3/1/22

- (b) It is desirable to establish a Homoeopathy College in the public interest increase in admission capacity/starting,course and
- (c) Establishment of Homoeopathy College/increase in admission capacity/starting.....course atby (the name of Trust) is feasible.

It is also certified that adequate clinical material as per norms of the MSR in force are available with the proposed/existing Medical College.

It is further certified that in case the applicant fails to create infrastructure for the Homoeopathy College as per MSR norms in force and fresh admissions are stopped by the NCH/Central Government, the State Government shall take over the responsibility of the students already admitted in the College with the permission of the Central Government.

This No objection certificate granted is valid for the period of 2 years from the date of issue.

Yours faithfully,

(Signature of the Competent Authority)
