F.No. 3-69/2024/NCH/HEB/AIAPGET/2024-25 / 1028

Date: 15 MAY 2024

### Clarification regarding extension in date of internship completion as cut-off date for AIAPGET 2024-25 examination.

NCH is in receipt of representations from students, institutions, Universities as well as State Governments regarding **extension in date of internship completion as cut-off date** eligibility to appear in AIAPGET-2024-25 examination. After thorough examination the Commission has decided to extend the internship completion date from 30<sup>th</sup> June 2024 to 31<sup>st</sup> July, 2024 as cut-off date for AIAPGET 2024-25 examination.

Further, more such representations have been received from students and other stakeholders demanding cut-off date variably upto December, 2024. However, the Commission has decided not to extend the cut-off date further for the reasons stated below:-

- There is no upper age limit to appear in AIAPGET examination as per post-graduate regulation. This shall give ample opportunity for the ineligible students to appear for AIAPGET examination.
- Any more extension in cut-off date shall delay the commencement of the large number of students already registered for AIAPGET 2024 examination to be held on 14th May, 2024.
- Any such extension will lead to delayed completion of Post-graduation course bringing hardship in terms of timely job opportunities, profession carrier as specialist etc.
- The Commission has decided to schedule the AIAPGET examination in April 2025, for academic session 2025-26.

This is issued with the approval of the competent authority.
