Sub: - Regarding Registration of MF(Hom) Degree denied by State Boards for qualified- - reg.

Sir,

Reference to your representation dated 8th April, 2019 received through Secretary to the Vice-President of India on the above cited subject, I am directed to inform that the matter has been examined in consultation with the Central Council of Homeopathy, a statutory body under the Ministry of AYUSH. It has been observed that Hyderabad School of Homoeopathy & ICR has been conducting the M.F.(Hom) Luton membership examination at Hyderabad and the said center has not been permitted by the Ministry of AYUSH or by CCH.

2. As per the provisions of HCC Act, 1973, the Central Council of Homoeopathy (CCH) was constituted to regulate the Homeopathy education in the country. CCH has notified regulations for establishment of new Homoeopathy medical institutes and Minimum standards and requirements for the Homoeopathy institutes. Accordingly, all the Homoeopathy institutes established in India are required to comply with the provisions of HCC Act, 1973 and regulations made thereunder.

3. In view of above, it is informed that the qualification of M.F(Hom) awarded by Faculty of Homoeopathy, Luton, United Kingdom, is included in the Third Schedule of HCC Act, 1973. However, the course run at Hyderabad in collaboration with MF(Hom), UK cannot be considered as eligible for recognition under Schedule-III of the HCC Act, as it is a course run in India without any consent of Ministry of AYUSH or CCH.

Yours faithfully
