Sub: Directions regarding migration/internship transfer of students.

Madam/Sir,

With reference to the subject cited, it is to inform that we receive numerous applications from the students/institutes for migration of the students during BHMS course or internship. Migration of students from one Medical Institution to another Medical Institution in India shall be considered by the Commission only in exceptional cases on compassionate ground.

In view of the above, Homoeopathy Education Board, National Commission for Homoeopathy has specified certain criteria for compassionate grounds on which the college/university shall provide NOC for any request of migration/internship transfer of the student. Criteria are as follows:-

- Death of a supporting guardian.
- Disturbed conditions as declared by Government in the college area.
- Any illness of the candidate or disability, to be certified by the civil surgeon of respective area along with all the relevant documents.

Note:- Any request for migration/internship transfer shall be entertained through college/university only.

Thanking you.

Yours faithfully,

(Dr. Tarkeshwar Jain)
